

Name: _____

Date: _____

Think-Pair-Share

Think-Pair-Share can be used in conjunction with question generation, too. Each student is asked to generate a question about a topic or issue.

My question:

Think:

During the next 5 minutes, think about your answer to the question above. Write your response on the lines below:

Pair:

Now, pair up with your partner to exchange ideas. What ideas did you have in common? Write those ideas below:
